## Corrections & Clarifications

① "A Trade Deal's Long And Winding Road" (Politics & Policy, Dec. 13) should have said trade between the U.S. and South Korea, and not just U.S. exports to South Korea, total \$68 billion a year. ② In the Dec. 13 Hard Choices, we mistakenly put the value of capital raised to accelerate growth at Commerce Bank as 1 million pounds. The correct amount is 51 million pounds.
